Innovazione, Progettazione e Realizzazione sono le tre componenti vincenti che hanno sempre caratterizzato la CAB nella sua storia trentennale. La innovazione apportata dall'ufficio tecnico guidato dal Sig. Caiano, la rivoluzionaria scelta progettuale e la meticolosità nella realizzazione dei prodotti, aggiungendo elementi standard qualitativi nei processi produttivi, hanno permesso all'azienda di essere sempre competitiva e dinamica nei differenzi mercati nel corso degli anni, riuscendo a sviluppare un prodotto che possa lavorare in maniera ottimale in qualsiasi tipo di condizione e temperatura.

Innovation, Design and Manufacture are the three winning key points that have always characterized CAB in its thirty-year history. Innovations made by the technical department led by Mr. Caiano, the revolutionary design choices and the meticulousness in the manufacture of the products, following high standards of quality in production processes, have allowed the company to be more competitive and dynamic in various markets over the years. It has succeeded in developing a product that can work in an optimal manner in any type of conditions and temperature.

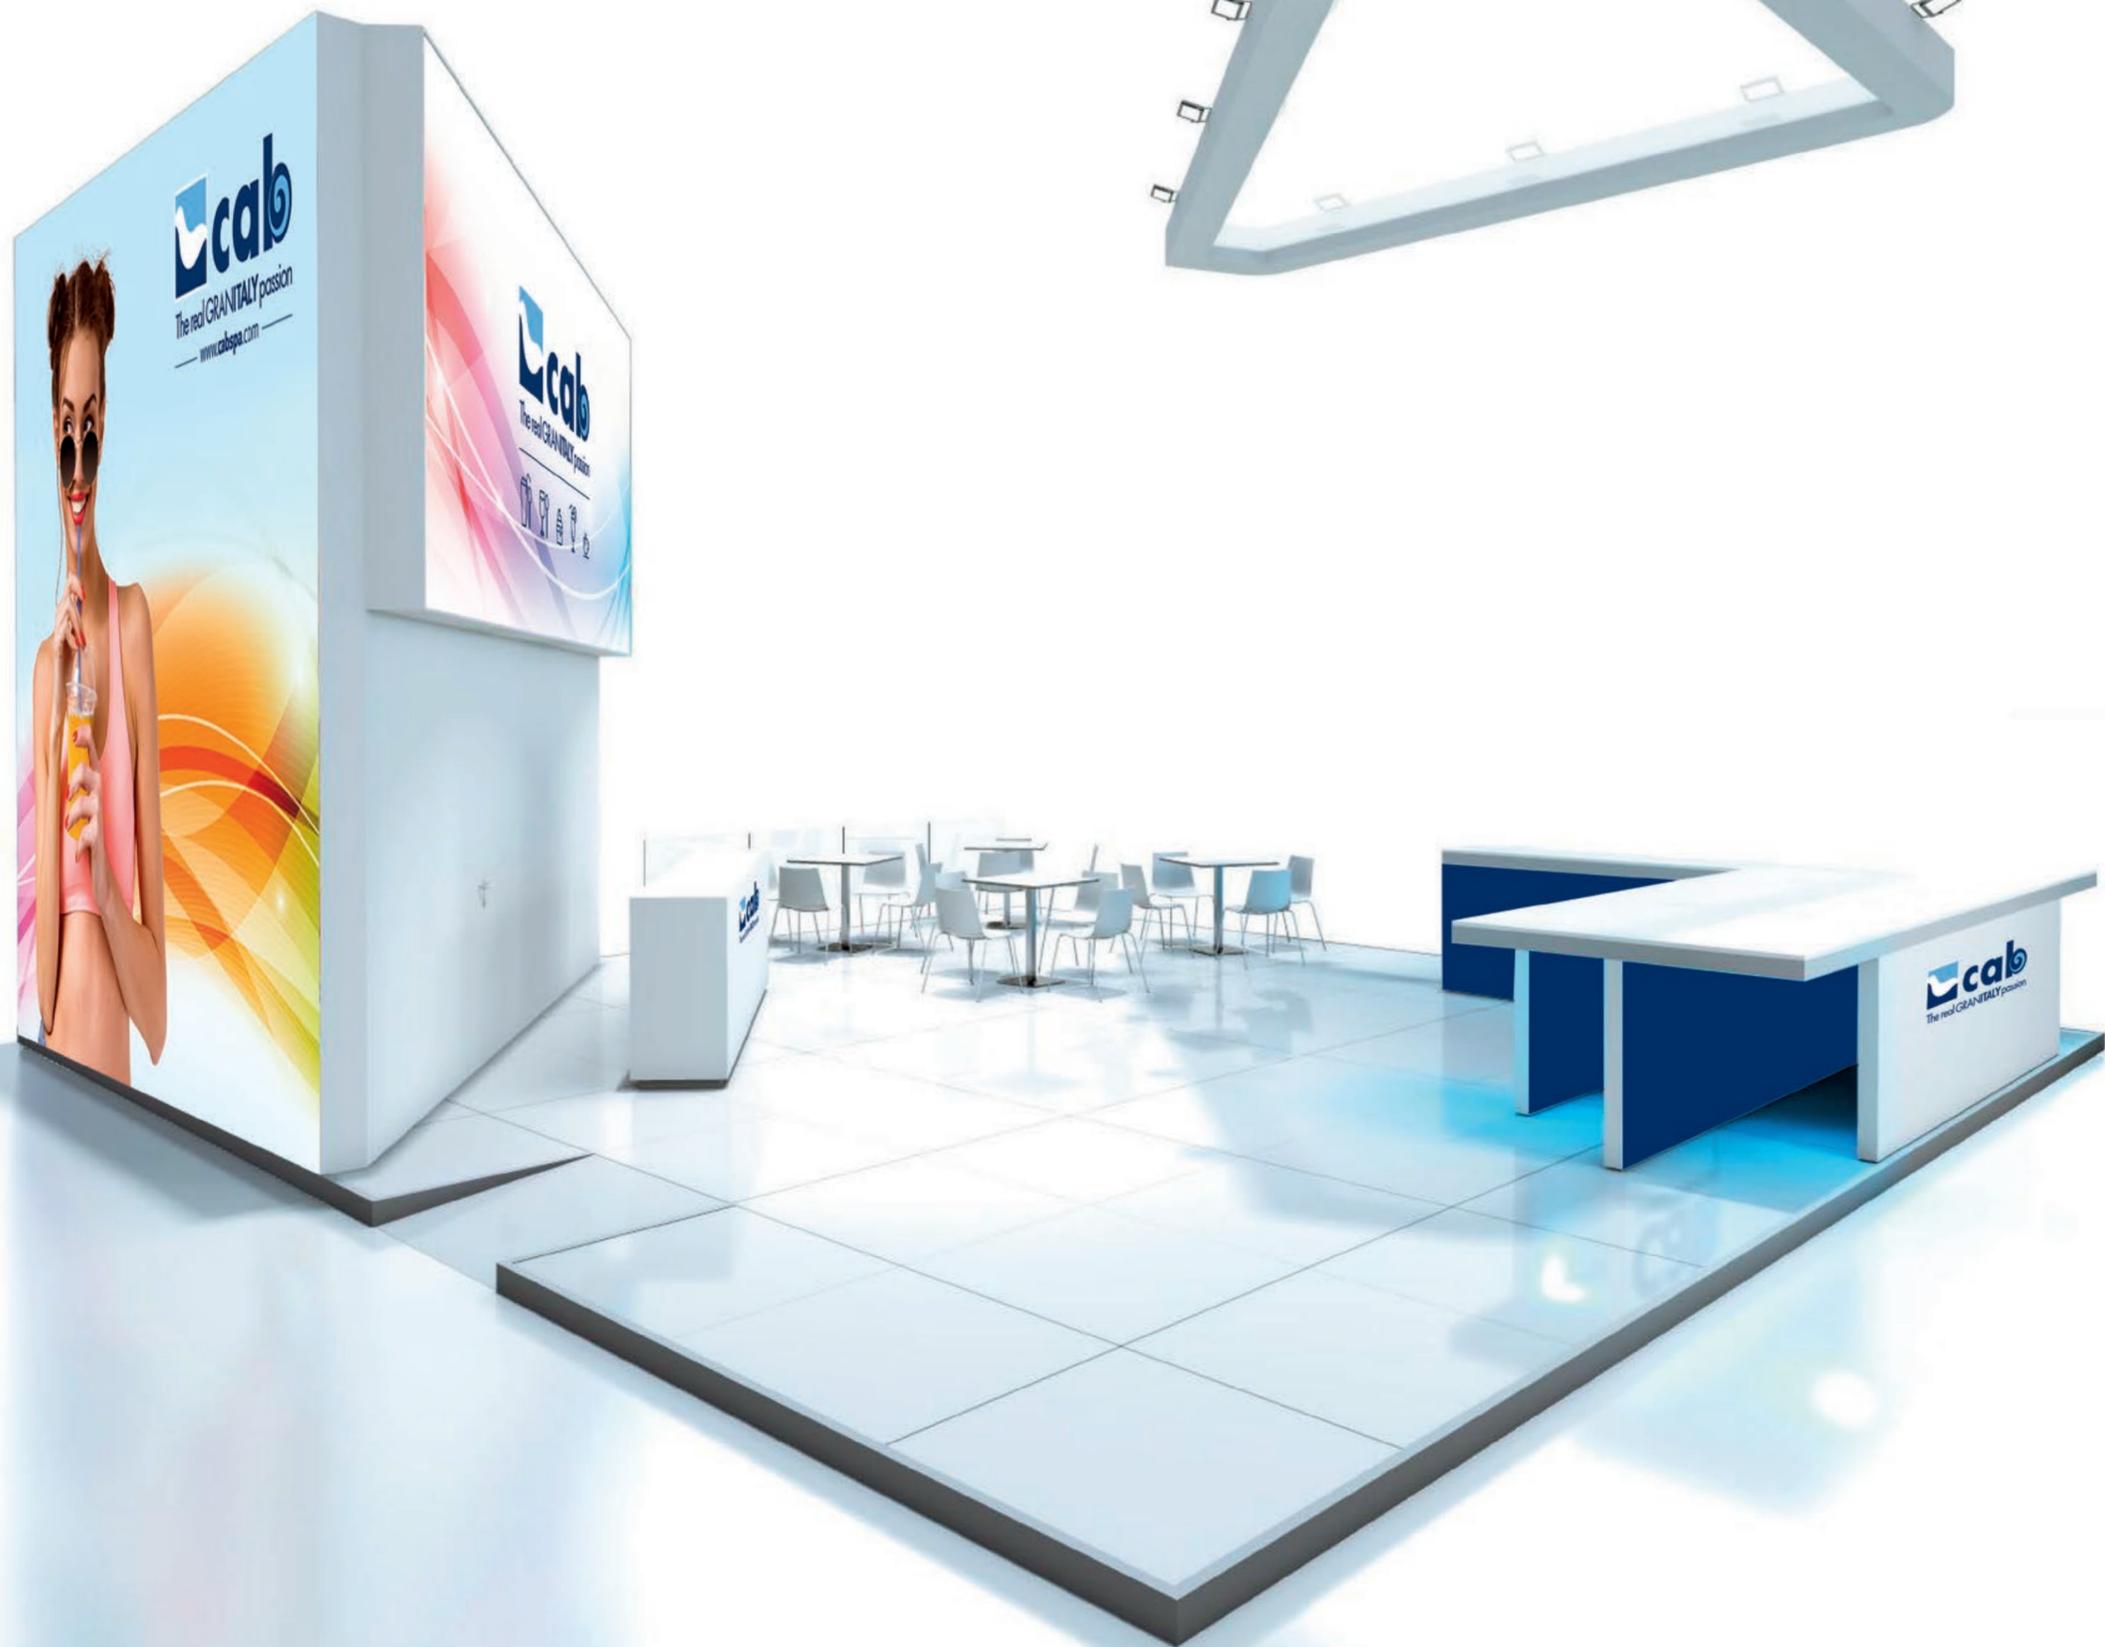

Innovación, Diseño y Realización son los tres componentes ganadores que desde siempre caracterizan a CAB en su historia trentañera. Las innovaciones realizadas por Caiano, las revolucionarias elecciones de diseño y la meticolosidad de la realización de los productos, siguiendo estándares elevados de calidad en los procesos productivos, le han permitido a la empresa ser siempre competitiva y dinámica en los distintos mercados a lo largo de los años, logrando desarrollar un producto que pueda trabajar perfectamente en cualquier tipo de condición y temperatura.
