

CAFFE' MOLINARI

*We would like to underline some
of Caffe' Molinari +*

HISTORY

One of the oldest roaster in Italy, with 200 years experience in the food industry.

PURCHASING

The selection of green beans is very accurate and is made by a panel of experts under Mr. Alberto Molinari supervision. If the green beans sample do not pass their test it is automatically reject and not purchase.

PRODUCTS COSTANCY

The long roasting experience and the constant technological investments allow us to GRANT the constancy in time of our coffee.

N

NO OXIGEN

Caffe' Molinari is offering the latest packaging technology of the PRESERVED & MODIFIED ATMOSPHERE. The 5 STELLE range of products allow the final customer, at the tin opening, to taste the full flavour and fragrance, typical of freshly roasted coffee & 3 years shelf-life.

Only 2 roasters in Italy may offer You roasted coffee in preserved and modified atmosphere. So just another brand can compete with us.

A

ARTISANAL

We do not forget our artisan vocation against the big coffee industries.

E

EXPORT ORIENTED COMPANY

Our Export Department is always available for any need to support the export of our products.

P
