COMMUNICATION

A COMPANY STORY

"Nexo" is a Spanish word which literally translates as **connection, link, bond**.

To communicate with the world

Born to be a linguistic bridge, we struggle to remain closed in this identity because crucial components such as **culture**, **technology**, **art** and **ways of being** are bullying our everyday life, pushing us towards a change and a continuous evolution.

The logo for Nexo Corporation is located in the bottom right corner. It features the word "nexo" in a dark blue, lowercase, handwritten-style font. Below it, the word "CORPORATION" is written in a smaller, dark blue, uppercase, sans-serif font. The logo is set against a white circular background, which is part of a larger dark blue curved shape that frames the right side of the slide.
