

# Papersnap catalogue

Easy for people,  
**sustainable**  
for the planet

# INNOVATIVE SUSTAINABLE & UNIVERSAL

THE PAPER MADE  
EASYSNAP®

Why Papersnap® is the best packaging  
system for people and planet

## FOR PEOPLE

- ✓ Universal accessibility
- ✓ High product restitution
- ✓ Hygienic
- ✓ No air inside (long shelf life)
- ✓ Health and care: use only the exact quantity

## FOR PLANET

- ✓ Fully recyclable materials
- ✓ Food waste prevention
- ✓ Reduced transportation costs
- ✓ No tear-off parts. One pack, one item of waste.
- ✓ 70% Energy saving in the production process

Recyclable with paper

This brand new Easysnap® is made up to **85%** of paper. It has the same smart advantages of the Easysnap® opening technology, plus it is recyclable with paper. Easysnap Technology has embarked on the journey towards the realization of the **most sustainable packaging in the world.**
