

# RAPCO2

*Fix the Climate with eJungle*

RAPCO2 has created a product which allows to create a hectare of forest in a few squared meters:

## *eJungle*

which capture CO<sub>2</sub> and transform it into high value chemicals and eFuels

Our innovative process brings big benefits to clients and to us:

Low energy  
demand

Product of small  
dimensions

Patent  
filed

Intrinsically  
safety

Better than  
competitors

Highly  
profitable
